

LES GARENNES

VINEYARD

Les Garennes is a 2-hectare plot with south-western exposure in the village of Vinon. The terroir of "Caillotes" (large limestone stones), on which the Sauvignon Blanc vines are planted, is highly reflective of daylight. As a result, the berries ripen quickly and evenly to produce this floral, spicy Sancerre Blanc.

GRAPE VARIETY

Sauvignon Blanc

TERROIR

Clay soil rich in stones

WINEMAKING

- Low-pressure pneumatic pressing
- Cold static settling
- Fermentation with a selection of yeasts specific to each estate plot
- Aged in stainless steel tanks for 9 months on lees

TASTING

The wine has an elegant golden hue with silver highlights.

The nose offers chalky, citrus notes, with a hint of orange zest.

Its generosity shines through on the palate, with fresh notes of bitter orange and long, complex minerality.

Food pairing

Lightly roasted turbot fillet with young vegetables, scallops marinated in ginger.

Service temperature

Between 11 and 13°C (52-55°F)

Ageing

6 to 8 years
